FIAP was established as a non-profit organisation concerning any person who agrees to these Statutes, and which is governed by these Statutes and the amended Act of 21 April 1928 regarding associations and non-profit foundations.

1. NAME, SEAT AND DURATION

- 1.1. The association bears the name of “**Fédération Internationale de l’Art Photographique**” in short ‘**FIAP**’ and this in any language.
- 1.2. FIAP is headquartered in the Grand Duchy of Luxembourg, in the commune of Kayl.
- 1.3. FIAP enjoys unlimited duration.

2. GOALS OF FIAP

FIAP, whose origins date back to 1950, pursues the following goals:

- a) Develop and promote worldwide photographic knowledge from an artistic, educational and scientific standpoint, in accordance with the principles of UNESCO, as set out in its Constitutive Act signed in London on 16 November 1945.
- b) Create friendly and fraternal connections in the field of photography among all affiliated members.
- c) All political, ideological, racial or religious considerations are entirely excluded from the activities of FIAP.

3. FUNCTIONING AND STRUCTURE OF FIAP

- 3.1. The functioning of FIAP is governed by these Statutes and by its Internal Regulation.
- 3.2. FIAP consists of Operational Members, Adhering Members (Regional, Local and Individual) and Honorary Members:
 - a) Operational Members are federations or associations having an action at a national level, in a Sovereign State that is a member of the United Nations, whose name – as registered by the United Nations – will be used in all the FIAP documents to define the origin of an Operational Member. A single affiliation as Operational Member is possible per sovereign state. Exceptionally, for reasons of continuity in the history of FIAP, federations or associations that in the year 2014 were members of the former non profit French association FIAP are also considered operational members, with the same rights, even if they do not meet the above-mentioned conditions. Given the transitional nature of this status, in the case of removal or resignation, they will automatically lose this right and will no longer be able to join as operational members.
 - b) Regional Adhering Members are associations comprising mostly clubs and associations of photographers. The number of regional members is not limited.
 - c) Local Adhering Members are clubs or local associations comprising photographers only. The number of local members is not limited.
 - d) Individual Adhering Members are the persons, professional photographers or amateurs who are affiliated with an Operational Member for as long as they maintain the status of affiliates.
 - e) Honorary Members are persons appointed for life by the General Assembly, for their outstanding contribution to the development of FIAP.
- 3.3. The supreme authority of FIAP is the General Assembly.
- 3.4. FIAP is directed and administered by a Board of Directors.
- 3.5. The official languages of FIAP are those used during the General Assemblies and in which the minutes, documents and official texts of FIAP are written, namely, French and English. The minutes, documents and official texts of FIAP may be translated into German and Spanish. In

case of diverging interpretations in the translations of official texts, the French text shall prevail.

- 3.6. FIAP's financial resources are the proceeds of various fees, medals and other services, individual donations and potential subsidies.
- 3.7. The financial year of FIAP begins on 1st January of each year.

4. MEMBERS

- 4.1. Any federation, association or club who wishes to join FIAP must submit a written request which must contain the commitment to comply with the statutes and regulations of FIAP, to the Board of Directors.
- 4.2. Applications for membership as an Operational Member fall under the remit of the General Assembly. While awaiting the next general assembly, the new operational members are affiliated provisionally by the Board of Directors.
- 4.3. Applications for membership as a regional or local member fall under the remit of the Board of Directors. In case of difficulties in determining the regional or local nature of an individual member, it shall be the responsibility of the Board of Directors to assess the true nature of the association concerned.
- 4.4. Individuals, professional and amateur photographers affiliated to an Operational Member are automatically Individual Adhering Members of FIAP.
- 4.5. Operational membership shall terminate with a written resignation letter notified to the Board of Directors or for serious reasons. Serious reasons are notably:
 - a) non-payment of fees;
 - b) infringement of the statutes and/or internal regulation;
 - c) loss of representation in a given Country.
- 4.6. The procedure to exclude an operational member is regulated by the Internal Regulation. The decision to exclude an operational member is taken by the General Assembly acting by a majority of two thirds of the votes.

- 5.3. In case of impediment, an Operational Member may be represented by another Operational Member or by a member of the Board of Directors by proxy. Members of the Board of
