39-то FIAP МЛАДЕЖКО
ДИГИТАЛНО БИЕНАЛЕ

Preface Biennale FIAP Jeunesse Bulgarie 2018

L'organisation de la 39ème Biennale FIAP pour la jeunesse est entre les bonnes mains de la Fédération Bulgare - Académie de Photographie Bulgarie «Yanka Kyurkchieva». Il y avait des envois de 18 pays différents dans les deux catégories d'âge et presque toutes étaient de très bonne qualité. J'ai été surpris par ces envois juvéniles, de très belles collections.

Le vainqueur dans les deux catégories était Oman et certainement avec raison, car entre la première et la deuxième place il y avait une énorme différence. Félicitations aux gagnants; voici un très bon travail de jeunes. Il y avait plus de variété parmi les gagnants individuels et, de plus, ces gagnants individuels venaient de différents pays. Encore une fois, chaleureuses félicitations.

Avec ceci, je souhaite remercier les organisateurs, les participants et mes collègues membres du jury et espérons que encore plus de fédérations y participeront à l'avenir. Participer est plus important que gagner.

Vice-Président FIAP.

Preface FIAP Biennial Youth Bulgaria 2018

The organization of the 39th FIAP Biennale for Youth is in the good hands of the Bulgarian Federation - Academy of Photography Bulgaria «Yanka Kyurkchieva». Entries from 18 different countries in both age categories and almost all were of very good quality. I was surprised by these youth entries, very beautiful collections.

The winner in both categories was Oman and certainly with reason, because between first place and second place there was a huge difference. Congratulations to the winners; here is a very good job done with the youth. There was more variety among the individual winners and these individual winners came from different countries. Once again, warm congratulations.

I wish also to thank the organizers, the participants and my fellow members of the jury and hope that more federations will participate in the future. Participating is more important than winning.

Freddy Van Gilbergen,
MFIAP, EFIAP/s, HonEFIAP
FIAP Vice-President.

Представяне на FIAP Биенале за младежка фотография България 2018

Организацията на 39-то Биенале за младежка фотография под патронажа на FIAP бе в сигурните ръце на българската Федерация - Фотографска Академия «Янка Кюрчева». В двете възрастови категории бяха представени творби от 18 различни страни и почти всички се отличаваха с много добро качество.

Бях изненадан от работите на тези млади хора, толкова красиви колекции. Победителят в двете категории е Оман и това определено не е случайно, защото се забелязва огромна разлика между спечелилите първото и второто място. Честито на победителите! Чудесна работа е свършена с младите хора. При индивидуалните победители, които са от различни държави, се наблюдава по-голямо разнообразие. Позволете ми още веднъж да изкажа своите поздравления.

Позволете ми също да изразя своята благодарност на организаторите, на участниците и на моите колеги от журито, като в бъдеще се надявам на участие от повече федерации. Участието е по-важно от победата.

Фреди Ван Гилберген,
MFIAP, EFIAP/s, HonEFIAP
Вицепрезидент на FIAP

The FIAP Youth Digital Biennial was held for the 39th time. This is the most prestigious international photo contest for youth photography. The fact that in 2018 the Bulgarian Academy of Photography "Yanka Kyurkchieva" was nominated to host the event is evidence of special recognition of the efforts of our organization.

The Biennial featured the participation of 452 authors from 18 countries. These contests engage participants under 16 and young people from 16 to 21. In both segments the Oman collections were most highly evaluated. We are proud that among the youngsters, our collection shares the 6th and 7th place with our neighbours from Macedonia and is awarded a Diploma, while the image, contributed by Christopher Yordanov, won individual bronze medal. In the under 21 category, our collection was awarded the silver medal.

In the Bulgarian under 21 collection, 14 of the 20 photos are taken by students under 18 at the National High School of Polygraphy and Photography in Sofia. The exhibition of the Biennial is displayed in the corridors of the National Palace of Culture and is part of the cultural programme of the Bulgarian Presidency of the Council of Europe 2018.

Yavor Popov, Fine Art Photographer,
Chairman of the Management Board of Academy of Photography Bulgaria "Yanka Kyurkchieva"

Младежкото биенале на FIAP се провежда за 39-ти път. Това е най-престижният международен фото конкурс за младежка фотография. Това, че домакинството му през 2018 г. беше възложено на България в лицето на НСФА „Янка Кюрчева“ е изключително висока оценка за дейността, която нашата организация осъществява.

В биеналето се включиха 452 автора от 18 държави. В тези конкурси участват деца до 16 годишна възраст и младежи от 16 до 21 годишна възраст. И в двете категории най-високи оценки получиха колекциите на Оман. Щастливи сме, че сред малките нашата колекция дели 6 и 7 място със съседите ни от Македония, и е отличена с Диплом, като снимката на Кристофър Йорданов е отличена с индивидуален бронзов медал. При по-големите, колекцията ни завоюва сребърният медал.

14 от 20-те снимки, включени в българската колекция до 21 години, са на ученици от Националната гимназия по полиграфия и фотография, не навършили още 18 години. Изложбата от биеналето е експонирана в коридорите на НДК и е част от културната програма на Председателството на страната ни на Съвета на Европа.

Председател на Управителния съвет на
Фотографска Академия "Янка Кюрчева"
