Biennial's Official FIAP number for FIAP Distinction applications

From 2019 onwards, images participating in a FIAP Biennial that have scored 8 points or more can be used in FIAP Distinctions applications.

Like international salons, that have FIAP Patronage, FIAP Biennials also have an official FIAP number. This official number is shown in the reports sent to the people responsible for each participating Operational Member (country federation).

Year	Biennial's Official Number	Biennial's name
2019	2019/998	28 th FIAP Colour Biennial, Spain 2019
2020	2020/999	20 th FIAP Nature Biennial, Russia 2020
