Director of the FIAP Biennials Service**

This year we celebrate the 30th edition of the FIAP Biennial of Colour. I am proud to present this catalogue with the best photographs and collections presented in this edition organised in Greece.

41 countries from the five continents have submitted their work. The collections stand out both for their great coherence and uniformity and for the quality of the individual images. Congratulations to the staff of each federation for the entire selection process.

Special thanks go to the organising team, who with great professionalism have successfully carried out the organisation of this event. Also to the jury, who with their hard work and great responsibility have had to select the winners from among so many excellent photographs.

Congratulations to the winning federations: France in the print section and the Russian Federation in the digital section. Also to the photographers who obtained individual awards with their works.

We look forward to another great participation in the upcoming FIAP Colour Biennial!

**Luis Franke, MFIAP, EFIAP/d3, HonEFIAP
Directeur du Service Biennale de la FIAP**

Cette année, nous célébrons la 30ème édition de la Biennale Couleur de la FIAP. Je suis fier de présenter ce catalogue avec les meilleures photographies et collections présentées lors de cette édition organisée en Grèce.

41 pays des cinq continents ont soumis leur œuvres. Les collections se distinguent tant par leur grande cohérence et uniformité que par la qualité des images individuelles. Félicitations au personnel de chaque fédération pour l'ensemble du processus de sélection.

Des remerciements particuliers sont adressés à l'équipe organisatrice qui, avec un grand professionnalisme, a mené à bien l'organisation de cet événement. Nous remercions également le jury qui, avec une grande responsabilité, a dû sélectionner les gagnants parmi tant d'excellentes photographies.

Félicitations aux fédérations gagnantes: la France dans la section tirages papier et la Fédération de Russie dans la section images numériques. Nous félicitons également les photographes qui ont remporté des prix individuels pour leurs œuvres.

Nous nous réjouissons d'ores et déjà d'une nouvelle participation à la prochaine Biennale Couleur de la FIAP!

As the president of the Hellenic Photographic Society (HPS), I would like to thank FIAP for entrusting us the holding of the 30th FIAP Color Biennial 2023. HPS, a member of FIAP since 1954, has always been an ardent supporter of Biennales and made sure to participate in them. However, we had a presence as organizers. This is the third time HPS has organized the FIAP Biennale. The first event was held in 1963 and the second, VII COLOR BIENNALE FIAP-ATHENS in 1971.

In HPS we particularly love photography and we believe that the photography Biennales organized by FIAP bring together photographers from different countries and cultural influences, thus achieving an osmosis which ultimately strengthens the art of photography and internationalizes it.

For this reason, we tried to present a good and efficient event. In this effort we had help from FIAP and especially Luis Franke, Director of the FIAP Biennial Service. Also, the help of the Municipality of Athens was very important as they gave us their patronage, helped with the organization and granted us their facilities, for the Award ceremony.

As organizers, we especially thank the photography companies of 41 countries who honored us with their participation, consisting of 270 printed photos and 813 digital ones.

We also thank the members of the jury Herbert Gmeiner, MFIAP, HonEFIAP Austria Alfredo Sotelo, ESFIAP Spain Nino Mghebrishvili, EFIAP Georgia, who came to our headquarters and effectively judged all the entries.

Of course, we thank our members, in particular the members of the organizing committee, who worked efficiently for the success of the event.

Finally, we congratulate the photographic companies that were distinguished as well as the photographers who received honors and with the quality of their work contributed to the success of the 30th FIAP Color Biennial GREECE 2023.

Kyriakos Kokkos ESHPS, ESFIAP
President HPS

Introduction Je tiens, en tant que Président de la Société Photographique Hellénique (SHP) à remercier la FIAP pour l'assignation de l'organisation de la 30ème édition de la Biennale Couleur 2023. La SHP, membre de la FIAP depuis 1954, a toujours été un fervent partisan des Biennales et a toujours tenu à y participer. Mais's nous avons aussi été présents en tant qu'organisateur. C'est la troisième fois que la SHP organise une Biennale sous les auspices de la FIAP. Les deux précédentes ont eu lieu en 1963 et en 1971 à l'occasion de la VIIème Biennale FIAP Couleur – Athènes 1971.

À la SHP nous aimons particulièrement la photo et nous pensons que les Biennales photographiques organisées par la FIAP privilégient les relations entre les photographes de pays et d'influences culturelles différents réalisant ainsi une osmose qui, en fin de compte, amplifie l'art photographique et l'internationalise. C'est la raison pour laquelle nous avons essayé de présenter une organisation bonne et efficace. Dans cet effort nous avons eu le soutien inconditionnel de la FIAP et particulièrement celui du Directeur de son Service Biennales, Monsieur Luis FRANKE.

Nous avons aussi eu le soutien de la Mairie d'Athènes qui nous a octroyé son patronage, nous a aidé à son organisation et nous a cédé ses infrastructures lors de la cérémonie de la remise des prix.

En tant qu'organisateur nous tenons à tout particulièrement remercier les organisations photographiques des 41 pays qui nous ont honoré de leur participation qui comprenait 270 photos imprimées et 813 tirages numériques.

Nous souhaitons aussi remercier les membres du Jury: -
Monsieur Herbert GMEINER, MFIAP, HonEFIAP, Autriche, -
Monsieur Alfredo SOTELO, ESFIAP, Espagne,
- Madame Nino MGHEBRISHVILI, EFIAP,

Arménie qui sont venus à notre siège et ont efficacement jugé toutes les participations.

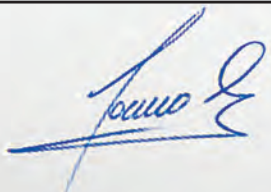

Nous remercions aussi tous nos membres ainsi que les membres du Comité d'Organisation qui ont travaillé pour le bon fonctionnement de l'organisation.

Enfin, nous tenons à féliciter toutes les organisations photographiques qui se sont distingué ainsi que les photographes qui ont obtenu des prix et qui, par la qualité de leur travail, ont contribué au succès de la 30ème Biennale Couleur FIAP-Grèce 2023.
