## **19th FIAP World Cup for Clubs 2024**

I had the honour and pleasure of organising the 19th FIAP World Cup for Clubs, the judging of which took place online from December 13th to 15th 2024.

The esteemed judges for the event were Mr. Manoocher DEGHATI, Photojournalist for Time, Life, Newsweek, Paris Match, Geo and National Geographic (Iran/France), Mr. Angelo Di TOMMASO, EFIAP/p, MFIAP (France), Mr. Jesùs Manuel Garcia FLORES, EFIAP/b, ESFIAP, FIAP L.O. of Spain, Director of the FIAP Exhibition Centre “Torrijos” (Spain), Mr. Bjarne Hyldgaard PEDERSEN, EFIAP/d3, MFIAP (Denmark) and Mr. Petar SABOL, EFIAP/d1, MFIAP (Croatia). They executed their roles with great professionalism and dedication. I would like to take this opportunity to express my heartfelt gratitude to them for their invaluable and fundamental contribution to the success of the 2024 FIAP World Cup for Clubs.

This edition of the FIAP World Cup for Clubs was an extraordinary success in terms of participation, and was absolutely without precedent. In fact, 293 clubs from 55 countries participated in the 19th FIAP World Cup for Clubs, with 5534 works, thus achieving again a new great record in the history of the FIAP World Cup for Clubs, compared to the previous 18 years, from 2006 to 2023, with a percentage increase of around 30% over last year's 226 participating clubs and with a percentage increase of more than 22% over last year's 45 countries. Certainly, allowing all clubs in the world (and not just ILFIAP clubs in good standing with their FIAP fees) to participate free of charge in the 2024 edition has had a very positive influence, but in any case, I believe it can be said that these new record numbers confirm the trend of a continuous increase in participation every year.

The first ranked club and thus the winner of the World Cup, was Catchlight Camera Club (United Kingdom of Great Britain and Northern Ireland), which also won the Maurice Dorikens Trophy, for having achieved the best results in the past three consecutive FIAP World Cups for Clubs (from 2022-2024).

As happened last year, in the 18th FIAP World Cup for Clubs, many clubs located outside Europe participated in this year's edition, moreover one of these non-European clubs, specifically from Canada, achieved a Top 10 ranking and also won an individual award in the 19th FIAP World Cup competition. This demonstrates that this event is becoming better known and appreciated around the world.

I would like to take this opportunity to extend my heartfelt congratulations to all the photo clubs and participating authors, especially those who received awards. Their contributions serve as a splendid showcase of the immense photographic talent that exists within the numerous countries that took part in this important photo contest.

I am also deeply grateful to all the members of the FIAP Board of Directors, as well as to FIAP President Riccardo Busi, for their trust in me to organize and oversee this prestigious and significant event. I am committed to constantly improve, year after year, the recognition and appreciation of this important event on a global scale.

Last but certainly not least, I want to express my sincere gratitude to Fausto Meini, the FIAP World Cup for Clubs Assistant, for his invaluable support and assistance in organizing this important event.
