I am honored to present the catalogue of the FIAP Youth Biennial 2025, held in the Kingdom of Bahrain. This edition reaffirms the commitment of FIAP to promoting photographic art among new generations, consolidating a space for exchange, visibility, and international projection for young talents.

With the participation of 18 countries, the Biennial was organized in two categories, and for the first time, the age range in Category II was extended to include young photographers up to 25 years old. This significant evolution — from the previous limit of 21 — reflects the artistic maturity and creative momentum of this age group.

The quality and diversity of the submitted works reflect the enthusiasm, sensitivity, and commitment of the participants, whose perspectives enrich the contemporary photographic landscape. This catalogue presents a representative selection of these works, bearing witness to emerging talent and the value of photography as a medium of cultural and social expression.

I wish to express my deepest gratitude to the host organization in Bahrain for its dedication and excellence in organizing this Biennial; to the jurors, for their professional and rigorous work; and to all the young participants, for their valuable artistic contributions.

I trust that this edition will inspire even broader and more diverse participation in future editions, further strengthening the spirit of community and creativity that defines the FIAP Youth Biennials.

Luis Franke, MFIAP, EFIAP/d3, HonEFIAP
Director of the FIAP Biennials Service

J'ai l'honneur de présenter le catalogue de la Biennale FIAP de la Jeunesse 2025, organisée dans le Royaume de Bahreïn. Cette édition réaffirme l'engagement de la FIAP en faveur de la promotion de l'art photographique auprès des nouvelles générations, en consolidant un espace d'échange, de visibilité et de rayonnement international pour les jeunes talents.

Avec la participation de 18 pays, la Biennale s'est déroulée en deux catégories, marquant pour la première fois l'élargissement de la Catégorie II aux jeunes jusqu'à 25 ans. Cette évolution significative — par rapport à la limite précédente de 21 ans — reflète la maturité artistique et l'élan créatif de cette tranche d'âge.

La qualité et la diversité des œuvres présentées témoignent de l'enthousiasme, de la sensibilité et de l'engagement des participants, dont les regards enrichissent le paysage photographique contemporain. Ce catalogue propose une sélection représentative de ces œuvres, témoignant du talent émergent et de la valeur de la photographie comme moyen d'expression culturelle et sociale.

Je tiens à exprimer ma plus profonde gratitude à l'organisation hôte à Bahreïn pour son dévouement et son excellence dans la réalisation de cette Biennale ; aux membres du jury, pour leur travail professionnel et rigoureux ; et à tous les jeunes participants, pour leur précieuse contribution artistique.

J'espère que cette édition inspirera une participation encore plus large et diversifiée lors des prochaines éditions, renforçant ainsi l'esprit de communauté et de créativité qui caractérise les Biennales FIAP de la Jeunesse.

Chairperson, Bahrain Arts Society
Présidente, Société des Beaux-Arts de Bahreïn

It gives me great pleasure to welcome you to the 42nd edition of the FIAP Youth Biennial for Photographic Art, hosted for the first time by the Kingdom of Bahrain — a celebration that unites the creative energy of young talents from around the world under the banner of art and imagination.

This prestigious international event embodies Bahrain's open spirit and reflects its role as a nurturing platform for talent, creativity, and artistic inspiration. Through the lenses of young photographers, we witness profound human visions that express the richness of diverse cultures — all converging into a universal language of beauty.

At the Bahrain Arts Society, we believe that art is a timeless message — one that transcends borders, fosters dialogue, deepens understanding, and strengthens the values of human connection. The participation of youth in this Biennial is a testament to their creativity, passion, and vision, enriching the global artistic landscape with fresh perspectives and boundless inspiration.

I extend my warmest congratulations to all participants and winners whose vision illuminated this global event, and my sincere gratitude to all institutions, partners, and volunteers whose dedication made this Biennial a memorable success.

May this Biennial continue to inspire creativity, nurture cultural dialogue, and strengthen the bridges that connect young artists across continents — so that art remains forever a language of unity, beauty, and peace.

Marwa bint Rashid Al Khalifa
Chairperson, Bahrain Arts Society

C'est avec une immense joie que je vous souhaite la bienvenue à la 42^e édition de la Biennale de la Jeunesse de la FIAP pour la Photographie, accueillie pour la première fois par le Royaume de Bahreïn.

Cet événement international prestigieux célèbre l'énergie créative des jeunes talents du monde entier, réunis sous la bannière de l'art et de l'imagination.

Cette biennale illustre l'esprit d'ouverture du Bahreïn et son rôle en tant que plateforme accueillante pour la créativité et l'inspiration artistique. À travers l'objectif de ces jeunes photographes, se révèlent des visions humaines profondes qui traduisent la diversité des cultures et leur unité dans un langage universel : celui de la beauté.

À la Société des Beaux-Arts de Bahreïn, nous croyons que l'art est un message intemporel qui transcende les frontières, favorise le dialogue, approfondit la compréhension mutuelle et renforce les valeurs de la connexion humaine. La participation des jeunes à cette biennale témoigne de leur créativité, de leur passion et de leur vision, enrichissant la scène artistique mondiale par de nouvelles perspectives pleines de vitalité.

J'adresse mes plus sincères félicitations à tous les participants et lauréats dont les œuvres ont illuminé cet événement mondial, ainsi que mes remerciements les plus chaleureux à toutes les institutions, partenaires et bénévoles ayant contribué à son succès.

Puisse cette biennale continuer à inspirer la créativité, à renforcer le dialogue culturel et à bâtir des ponts entre les jeunes artistes des différents continents, afin que l'art demeure toujours un langage d'unité, de beauté et de paix.

Marwa bint Rashid Al Khalifa
Présidente, Société des Beaux-Arts de Bahreïn
