Introduction

Luis Franke, MFIAP, EFIAP/d3, HonEFIAP
Director of the FIAP Biennials Service

The present edition of the FIAP Colour Biennial, held in Ireland, has witnessed an outstanding level of participation: 36 countries have shared their photographic visions, enriching this event with an aesthetic and conceptual diversity that truly honours the spirit of the Federation.

Beyond the individual quality of the images received, special mention must be made to the coherence of the collections submitted. This curatorial maturity has significantly elevated the overall standard of the Biennial.

My recognition and gratitude go to the Irish Photographic Federation for its meticulous and dedicated organisation; to the Drogheda Photographic Club, which generously provided its facilities for the judging; and to all the local collaborators whose commitment, professionalism, and hospitality made this event possible.

I congratulate all participating countries and, in particular, the award winners. The Russian Federation deserves special distinction for having won the World Cup in both sections – an achievement that reflects consistency, talent, and strong teamwork.

I also extend my appreciation to the international jury, whose expertise and dedication ensured a fair, rigorous, and respectful evaluation process in keeping with the values of photographic art.

This Biennial celebrates not only photography itself, but also the encounter between cultures, the sharing of perspectives, and the power of images to unite people from all continents around beauty, emotion, and thought.

Luis Franke, MFIAP, EFIAP/d3, HonEFIAP
Directeur du Service des Biennales de la FIAP

La présente édition de la Biennale Couleur de la FIAP, organisée en Irlande, a connu un niveau de participation remarquable : 36 pays ont partagé leurs visions photographiques, enrichissant cet événement d'une diversité esthétique et conceptuelle qui honore véritablement l'esprit de la Fédération.

Au-delà de la qualité individuelle des images reçues, il convient de souligner la cohérence des collections présentées. Cette maturité curatoriale a considérablement élevé le niveau général de la Biennale.

J'exprime ma reconnaissance et ma gratitude à la Fédération Photographique d'Irlande pour son organisation méticuleuse et dévouée ; au Drogheda Photographic Club, qui a généreusement mis ses installations à disposition pour le jugement ; ainsi qu'à tous les collaborateurs locaux dont l'engagement, le professionnalisme et l'hospitalité ont rendu cet événement possible.

Je félicite tous les pays participants et, en particulier, les lauréats. La Fédération de Russie mérite une distinction spéciale pour avoir remporté la Coupe du Monde dans les deux sections – un accomplissement qui reflète constance, talent et solide travail d'équipe.

J'adresse également mes remerciements au jury international, dont l'expertise et le dévouement ont garanti un processus d'évaluation équitable, rigoureux et respectueux, conforme aux valeurs de l'art photographique.

Cette Biennale célèbre non seulement la photographie elle-même, mais aussi la rencontre des cultures, le partage des perspectives et le pouvoir des images d'unir des personnes de tous les continents autour de la beauté, de l'émotion et de la pensée.

Introduction

Ita Hegarty AIPF

President of the Irish Photographic Federation

As President of the Irish Photographic Federation, I wish to convey what a great honour it was for Ireland to host the FIAP Colour Biennial 2025. This event holds a special place within the international photographic calendar, bringing together collections that reflect the diversity, depth, and creative strength of photographic practice across the world.

I would like to thank FIAP for the trust placed in the IPF to host this Biennial, and in particular to acknowledge the support and guidance of Luis Franke, Director of the FIAP Biennials Service. My thanks also extend to the panel of three judges whose careful and considered judging, carried out in Ireland in October 2025, ensured a fair, rigorous, and thoughtful assessment of the work presented.

This Biennial was made possible through the commitment of many people. I wish to acknowledge the work of the organising committee, led by Paul Stanley, FIAP Liaison Officer, whose experience and leadership were central to the delivery of the event. I also extend my sincere thanks to Drogheda Photographic Club for hosting the judging, and to all the volunteers who assisted both during the judging weekend and throughout the preparation and coordination of the Biennial.

I warmly congratulate all participating federations and, in particular, those photographers and teams whose work has been recognised with awards. The standard achieved in this Biennial reflects not only individual excellence, but also the strength and vitality of the photographic communities represented.

I hope this catalogue stands as a lasting record of the FIAP Colour Biennial 2025, and as a celebration of photography's power to connect people, cultures, and ideas across borders.

Ita Hegarty AIPF

President de La Fédération photographique irlandaise

En tant que président de la Fédération irlandaise de photographie, je tiens à exprimer l'immense honneur que représente pour l'Irlande l'accueil de la Biennale couleur FIAP 2025. Cet événement occupe une place de choix dans le calendrier photographique international, rassemblant des collections qui reflètent la diversité, la richesse et la force créative de la pratique photographique à travers le monde.

Je remercie la FIAP pour la confiance qu'elle a accordée à l'IPF pour l'organisation de cette Biennale, et tout particulièrement Luis Franke, directeur du Service des Biennales de la FIAP, pour son soutien et ses précieux conseils. Mes remerciements s'adressent également au jury composé de trois personnes dont le travail de sélection rigoureux et attentif, mené en Irlande en octobre 2025, a permis une évaluation juste, rigoureuse et pertinente des oeuvres présentées.

Cette Biennale a été rendue possible grâce à l'engagement de nombreuses personnes. Je tiens à saluer le travail du comité d'organisation, sous la direction de Paul Stanley, chargé de liaison FIAP, dont l'expérience et le leadership ont été essentiels à la réussite de l'événement. J'adresse également mes sincères remerciements au Drogheda Photographic Club pour son accueil lors du jury, ainsi qu'à tous les bénévoles qui ont apporté leur aide durant le week-end du jury et tout au long de la préparation et de la coordination de la Biennale.

Je félicite chaleureusement toutes les fédérations participantes et, plus particulièrement, les photographes et les équipes dont le travail a été récompensé. Le niveau atteint lors de cette Biennale témoigne non seulement de l'excellence individuelle, mais aussi de la force et du dynamisme des communautés photographiques représentées.

J'espère que ce catalogue constituera un témoignage durable de la Biennale FIAP Couleur 2025 et une célébration du pouvoir de la photographie à relier les personnes, les cultures et les idées par-delà les frontières.
