INFO 360 / 2026 E

We are pleased to announce the results of the first evaluation session of portfolios submitted in order to obtain the new FIAP Portfolio Distinction. (PFIAP). The international team of reviewer's, composed of five experienced judges, assessed the submissions based on artistic quality, coherence of the series, originality, and the strength of the visual narrative.

This inaugural application round attracted photographers from 35 different countries, demonstrating the diversity, creativity, and passion of the international photographic community.
118 photographers have succeeded in obtaining the PFIAP distinction. We warmly congratulate all the participants whose work was of a very high standard.

The next application round will open on May 1st 2026, and we look forward to discovering new inspiring photographic series from around the world.

They are available to see at the link below
