Welcome to the FIAP Nature Biennial 2026 catalogue, hosted by South Africa, a country renowned for its extraordinary landscapes, rich biodiversity, and deep connection with the natural world.

Through these pages, photographers from across the globe share their vision, capturing moments that celebrate the beauty, power, and fragility of nature.

The FIAP Nature Biennials not only recognize technical excellence and artistic creativity, but also promotes a deeper appreciation and understanding of the natural environment.

Each photograph is a testimony to the diversity of life on our planet and serves as a reminder of our collective responsibility to protect and preserve it for future generations.

I would like to express my sincere gratitude to all participants for sharing their talent, dedication, and passion for nature photography. My appreciation also goes to the South African organising team, whose commitment and enthusiasm have made this Biennial possible. Special thanks are extended to the members of the jury for their careful and dedicated work in evaluating the outstanding images presented in this edition.

Finally, I would like to congratulate the winners of the FIAP World Cups, Ireland and South Africa, on their outstanding achievements. My congratulations also go to Italy, recipient of the prestigious “Odette Bretscher” Grand Prize.

And all photographers whose work has contributed to the success of this event. Their images inspire us to look more closely at the world around us and to cherish the natural heritage that belongs to us all.

Bienvenue au catalogue de la Biennale FIAP Nature 2026, organisée par l’Afrique du Sud, un pays réputé pour ses paysages extraordinaires, sa riche biodiversité et son lien profond avec le monde naturel. À travers ces pages, des photographes du monde entier partagent leur vision en capturant des instants qui célèbrent la beauté, la puissance et la fragilité de la nature.

Les Biennales FIAP Nature ne récompensent pas seulement l’excellence technique et la créativité artistique, elles favorisent également une meilleure appréciation et une compréhension plus profonde de l’environnement naturel. Chaque photographie témoigne de la diversité de la vie sur notre planète et nous rappelle notre responsabilité collective de la protéger et de la préserver pour les générations futures.

Je souhaite exprimer ma sincère gratitude à tous les participants pour avoir partagé leur talent, leur engagement et leur passion pour la photographie de nature. Mes remerciements s’adressent également à l’équipe organisatrice sud-africaine, dont l’engagement et l’enthousiasme ont rendu cette Biennale possible. J’adresse aussi mes remerciements particuliers aux membres du jury pour leur travail attentif et dévoué dans l’évaluation des remarquables images présentées lors de cette édition.

Enfin, je tiens à féliciter les lauréats des Coupes du Monde FIAP, l’Irlande et l’Afrique du Sud, pour leurs réalisations exceptionnelles. Mes félicitations vont également à l’Italie, récipiendaire du prestigieux Grand Prix “Odette Bretscher”.

Je félicite également tous les photographes dont les œuvres ont contribué au succès de cet événement. Leurs images nous inspirent à observer plus attentivement le monde qui nous entoure et à chérir le patrimoine naturel qui appartient à chacun d’entre nous.
